

BD Big Day of Giving
May 3, 2018

Homeless is where our **HART** is

For the first time ever, **Elk Grove HART** will be part of the **Big Day of Giving on May 3, 2018**. This 24-hour giving frenzy is sponsored by Sacramento Region Community Foundation, and is designed to encourage philanthropy through the giving of unrestricted funds. HART will be designating all funds raised toward our transitional home operation and the Winter Sanctuary program. Your donation on the Big Day of Giving will help ensure that we raise enough money to support the costs of the two transitional homes in our care—the **Grace House** for adults, and the **Meadow House** for families.

Part of what makes Big Day of Giving so amazing is the way many large businesses come together to boost donations made to nonprofits. Golden One Credit Union has even pledged to boost donations through a \$50,000 contribution pool. All donations are tax-deductible, and we ask that you would thoughtfully consider making a donation on this special day. Your contribution could be the one donation that qualifies us for special funding awards!

And to help encourage donors to partner with us on the Big Day of Giving, prize incentives are being offered to those who contribute. Prizes include:

Donations of at least \$25—Free Car Wash at Gilly’s

Details: \$16 Value // When You Redeem, Gilly’s Donates an Additional \$8 to HART

Donations of at least \$50—Entry for SF Ritz Carlton Club Luxury Residence Stay
